

He shall be exalted and extolled and be very high.	His visage (face) was marred more than any man	Kings shall shut their mouths at Him
He is despised and rejected by men	A man of sorrows and acquainted with grief	We hid our faces from Him
He was despised, and we did not esteem Him.	He has borne our griefs and carried our sorrows	He was pierced for our transgressions
He was crushed for our iniquities	Upon Him was the chastisement that brought us peace	With His wounds we are healed
He was oppressed	He was afflicted	By oppression and judgment he was taken away
He was cut off out of the land of the living	He was stricken for the transgression of my people	They made His grave with the wicked
It was the will of the LORD to crush him	He has put him to grief	The will of the LORD shall prosper in his hand.
He shall prolong his days	He shall see his offspring	He shall see and be satisfied
He shall bear their iniquities	I will divide him a portion with the many	He shall divide the spoil with the strong
He poured out his soul to death	He was numbered with the transgressors	He bore the sin of many.
